**Message No. 140 on Wednesday 6/19/2013 @ 3:05 A.M. ( Apparition No. 21)**

The Visionary (V) was praying in front of the Icon when a light shone like a lightning and illuminated the room . Then a halo of light appeared which began to expand until the blessed Virgin Mary emerged from it and stood in the air , at about two feet above the floor . She was dressed in white and blue . A very pleasant fragrance filled the room , while the V was kneeling with tears in her eyes .

The Virgin Mary said : “ My esteemed daughter , I am aware of your difficulties and pains . Have I not told you that I am with you ? You are saving and helping many people . My children who are the children of the Truth , have I not said that **the coming of my Son is near** ? His coming is dependent on you , human beings , because you are blocking and delaying His coming . Many people are not with my Son ; they are busy with the things that are going to remain on this earth . They are following after evil . ”

The Virgin Mary continued , “ My children , if you want to live a new life , show your love to my Son . He wants to bestow peace to every heart and to every life that longs for Him , life and peace in the Kingdom of Heaven that has no end . Come to my Son with all your difficulties which you are encountering , He will give you peace . Come to my Son without fear ; come and offer Him your body and mind to enable Him to help you in body , mind and soul . Come to my Son with joy ; my Son is the Truth . Come close to Him , come close to Him , come close to Him . ”

The Virgin Mary continued , “ I beg and beseech from all of you to come close to Him and to listen to Him . Come and return to Him so that He will give you rest ; He is among you . Open the doors of your hearts to enable Him to return to your hearts . The coming of my Son will be for the salvation of this world . But when are you going to awake , O people , from your deep sleep ? Do not allow the things of this earth to seduce you and forget my Son . Pray for the new Pope ; he is facing many difficulties .

The light dimmed and the Virgin Mary disappeared .

The V was praying in front of the Icon when a light shone and illuminated the room. The halo of light appeared and kept expanding until the Virgin Mary emerged and stood about two feet above the floor . She was dressed in white and blue and a sweet fragrance filled the room . The V was kneeling with tears in her eyes .

The Virgin Mary said , “ My children who are the children of the Truth , your mission is to help this world to save the others . Do not allow one day to pass without extending a helping hand to others ; to the people who are lost and distant from my Son and from you . Help , help , help to attain happiness . Fill your hearts with happiness . Happiness is for salvation ; happiness is for faith ; happiness is for healing . Happiness , happiness , happiness is for every light that is shining from the light of the Sun . ”

The Virgin Mary continued , “ My Son is with you . My Son is among you . My Son gave His Life for the salvation of this world . He carried the burden of this world ; throw your burdens upon my Son to enable Him to support you and help you . My Son was crucified on the cross , shamed and killed ; all of this for the sake of your salvation . Have I not said that the things of this earth are remaining on this earth ? Enough , my children ; wake up , wake up , wake up so that my Son will be able to come . How is my Son to come to this earth and many of you are distant from Him ? He does not want to see you perish . ”

The Virgin Mary continued “ Let your heart be assured and happy to enable my Son to be with you , since He is the One who holds all things together . He is your Savior . No human being is able to save you from sin ; my Son , He will be your salvation from sin.

Do not be afraid , come and cleave to Him . Leave the things of here for here . There is nothing more difficult than your not being with my Son . My Son is Life , He is the Truth . ”

The light dimmed and the Virgin Mary disappeared .

The V was in her room praying the Chaplet of Divine Mercy when she heard a buzz in her ears , which is the sign that the Virgin Mary wants to give her a message . She went and knelt in front of the Icon and the Virgin Mary said to her :

“ My esteemed daughter , have I not been saying ‘ return to my Son ’ ? My Son is your Savior , your Savior from sin . My Son is your Savior from the problems of this world and from the difficulties of life on this earth , and is your

Savior from all trials . He speaks with you in all things pertaining to you . Do not think that He is not with you . He is your salvation . He is your helper . Trust , trust , trust and do not be afraid of anything .”

The Virgin Mary continued , “ The rope of life is the rope of safety ; it is the rope that connects the souls of the human beings to God . The connection between the faith of the soul and the power of God is a stable rope . My children , **my Son is coming** . My children , my Son is coming to forgive you all that you ask of Him , no matter how much you have forgotten Him and removed Him from your hearts . Cleave onto my Son and begin a new life with Him . The road of difficulties has arrived . Come and bring yourselves closer to my Son with prayers . Big things will be bestowed upon you : happiness , love , safety , security and health . Fill your hearts with the love of my Son , since He will be bestowing on you big blessings filled with peace and love in the Kingdom of Heaven . This is eternal life , unlike the life of this earth which is filled with things that are going to remain on this earth .”

The Virgin Mary continued , “ My Son is close to you , but you are not aware of His presence . My Son Jesus Christ the King of Kings , He is yesterday , today and He is forever .”

**The day before , on Tuesday 7/9/2013 , There were people praying at the V’s house . Fr. Bernard Owens was there also . After the prayers the olive wood statue of the Virgin Mary and the Icon of our Lady of the Cape and the Picture of the suffering Jesus ( All encased ) began to weep . The tears were glowing ( they were different than the oil that was oozing ) and all who were there saw this miracle . The tears were projected at the outside of the front surfaces of the three enclosures where these sacramentals are kept . The tears were apparent opposite the eyes of Jesus and Mary .**

The following day , Wednesday 7/10/2013 @ 2:50 A.M. , while the V was praying in her room , she heard a buzz in her ears and went and knelt in front of the Icon . She asked : “ Was that you , O Virgin ?”

The Virgin Mary answered , “ These tears are tears for this world” ( The Virgin Mary is referring to what happened the day before during the prayer , when tears started coming out of the eyes of the statue and pictures of Jesus and Mary ) .

The Virgin Mary continued , “ Have I not been saying that my heart is burning for these people who are my children ? I can not bear any longer to see my Son agonizing and bearing a great sorrow . Have I not been calling and begging from these people ? All of you were made from dirt and into dirt you shall return . You are not going to take anything with you . My heart is broken and is burning for you to return to my Son , because the days are getting closer and He will not be able to save many people ( Those who persist in rejecting Him to the very end ) . The thing that

took place here ( Mass and prayers ) are blessings and graces of my Son for those who were here .”

The V was praying in front of the Icon when a light shone and illuminated the room. The usual halo of light appeared and continued to expand until the Virgin Mary emerged and stood above the floor . The Virgin Mary was dressed in white and blue and a very pleasant fragrance filled the room .

The Virgin Mary said ,“ My esteemed daughter , am I not saying ‘ return to my Son ’ ? Clear your path and come to my Son . My children , my Son is your salvation . My Son will relieve you from all difficulties .

My Son will relieve you from every fear . Don’t be afraid , don’t be afraid , don’t be afraid , fear is of the evil one . The happiness of the human being is what keeps fear from entering into the hearts . There is no place for fear in the heart where my Son resides .”

The Virgin Mary continued ,“ The words of my Son are Life . Anyone who listens to His words will see a pure life and will find healing and strength . The road of difficulties has arrived . Return to my Son . My Son is with you , don’t be afraid . My Son is filled with love . Come and return to my Son . He is a Righteous Person ; He is a Righteous God . He can not and will not forsake you . My children , He is with you ; He is with you to help you and bless you . He is accompanying you ; this thing is the priceless blessing of your life . Wake up from your fears and come out to the light of the sun so that my Son will be with you . The coming of my Son depends on you , O human beings .”

The light dimmed and the Virgin Mary disappeared .
